

Think your **New Mexico** vote doesn't matter?

Think again.

Flip this card for why and how.

Paid for by BTNM PAC

Here's why your **NM** vote **DOES** matter:

- Crime, education, and the economy are crashing in NM.
- We need new leadership **NOW**.
- Many NM elections are won by a small margin.
- Fraud can't prevail if a majority votes with a unified voice.

The NM general election is Tuesday, November 8.
